

UNITED WAY DONATING STOCK

Your donation of stocks or other securities to United Way of Midland County may yield significant tax advantages to you and greater benefits to your community.

- Avoid capital gains tax on the sale of long-term appreciated securities
- Receive a charitable deduction for the full fair market value of long-term appreciated securities.

ESTABLISHING THE GIFT'S VALUE

The gift value of the securities is the average of their high and low prices on the date of the transfer. For mutual fund shares, the net asset value (NAV), at the close of business on the date of the gift, is used to establish the value of the donation.

Pursuant to IRS regulations, the effective date of the gift for valuation and charitable deduction purposes is the date the securities are transferred into United Way's brokerage account or delivered in certificate form to United Way. If the transfer needs to be made by a specific date, please allow sufficient time for DTC transfer to take place.

EASY STEPS FOR TRANSFERRING SECURITIES

The rules for transferring stock, while not complicated, are strict. If giving mutual fund shares, you should work with your broker or mutual fund and the United Way of Midland County to have the shares re-registered in UWMC's name. The following are methods, in order of preference, of transferring stock to United Way.

SECURITIES HELD BY A BANK OR BROKER

STEP 1: Complete your pledge form.

STEP 2: Authorize your broker or financial consultant to transfer the stock as a contribution to United Way (see the sample letter). Be sure to include the following information:

- Stock name or symbol
- Number of shares you wish to donate
- Expected date of transfer
- Your account #
- Name of your employer
- Your work and home telephone numbers

Notes

Stock power forms may be obtained at any bank or broker's office. The gift becomes effective on the date you mail the certificate and Stock Power.

You may hand deliver the certificate to the United Way of Midland County, where you can sign a Stock Power form.

If the certificates are in your name, it is not recommended to have them re-registered in United Way's name, as this process may take four to eight weeks.
