UNITED WAY CHANGE FOR CHANGE

WHY PARTICIPATE?

Collecting change for change is a wonderful way to get fellow employees and members of the community engaged in making a difference. Every single donation makes a difference for our friends and neighbors in need.

Rallying around a common cause is a great way to team build and when groups compete, everyone wins!

Getting started is easy. United Way can provide posters and containers to collect the coins. Place it in a very visible location and let the competition begin.

FUN WITH A TWIST!

Many competitors will declare a Penny War and all pennies in their jar count in the positive. The twist is that any dollar bills or silver deposited to their container counts against their total.

Teams can have fun “sabotaging” their competition, while making an even bigger impact.

COLLECTING AND COUNTING

Members First Credit Union has offered to count all of the coins and dollars for everyone participating!

If you would like the money to be counted separately, be sure to separate them before bringing them to MFCU.

The earlier you bring your change in, the easier it will be to get results! Drop off your change and pick up results the following day.

Members First Credit Union is happy to conduct the final counts. You can pick up the check or have Members First send a check directly to United Way of Midland County.

COLLECTION LOCATIONS

600 W. Wackerly
Contact Atasha Johnson
or Amy Schmidt
Phone: 835-6328

400 Dartmouth Drive
Contact Lauren Neil
or Jayme Larose
Phone: 835-6328

RESULTS DEADLINE

Final results need to be turned into United Way no later than November 6.
