

PLAY UNITED TRIVIA

OVERVIEW

“Play United” is an interactive trivia game designed to draw players into the greater impact of United Way while evoking friendly competition. Users will experience a streamline digital platform, featuring a multiple-choice question and answer program. Play United is a must have for your next team building meeting or happy hour.

HOW TO PLAY

To play, each player needs a phone or a web-enabled device to use as their controller. When you start the game, you'll be given a unique code on your screen. Just pull up <http://playfactile.com/join> to your device's web browser, and enter the room code to play along. Our game accommodates anywhere from 1-50 players. If you have more people wanting to play along, they can join as an audience member by joining the zoom meeting. As players answer questions correctly, points will be awarded. The player with the most points at the end, wins! Play United can be utilize for tournament play, if requested.
