

MISSION

The Health and Human Services Council of Midland County promotes the welfare of the community through systems-level planning, collaboration and promotion of health and human services with an emphasis on demonstrated effectiveness and prevention.

PURPOSE

The Health and Human Services Council of Midland County promotes excellence in the delivery of health and human services through the collective efforts of 27 key community leaders with a shared vision for solving community challenges. Its membership fosters collaboration and cooperation among social service agencies, education, health care, business, the faith-based community, the courts, law enforcement and local government.

OUR WORK

- Collaboration and shared vision
- Provides approval for many government funded initiatives
- Endorses and evaluates programming
- Leverages expertise to optimize delivery of services
- Disseminates data used for planning, evaluating or endorsing programs
- Effective health and human services for Midland County

TOP COMMUNITY CONCERNS

- Healthy Communities
- Poverty/ALICE
- Community Safety
- Access To Education
- Sustainable & Accessible Infrastructure

CHIP (Community Health Improvement Plan)

A committee of the Health and Human Services Council came together to develop a Community Health Improvement Plan (CHIP). This measurable action plan promotes optimal health in the three key priority areas of:

- Later Life Quality
- Substance Use/Disorder
- Healthy Weight
- Mental Health
